

View Instructor Comments and Annotations on a Canvas Paper Assignment

An instructor can provide a student with comments and annotations on a paper submitted in Canvas. Here is how you can view those items

On the **left menu** click **Grades**.

If an instructor made an **overall comment** on your paper, you will see the **comment “bubble”** to the far right. *Click* on the **bubble** to see the comments underneath.

Annotations

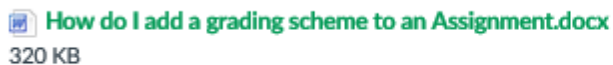

If an instructor made annotations on your paper, here is how to view them.

Under **grades**, *click* on the **assignment**.

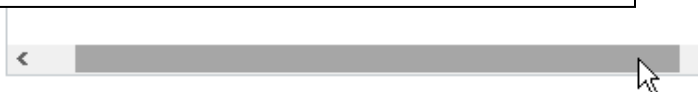

In the top right *click* **View Feedback**.

Note: You may need to go to the bottom of the window and scroll to the right to see the View Feedback link.

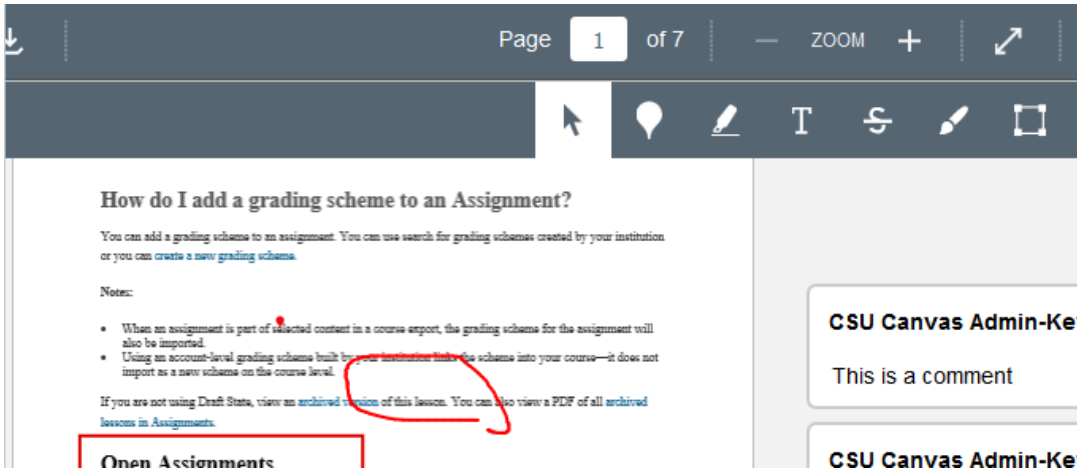

View Feedback

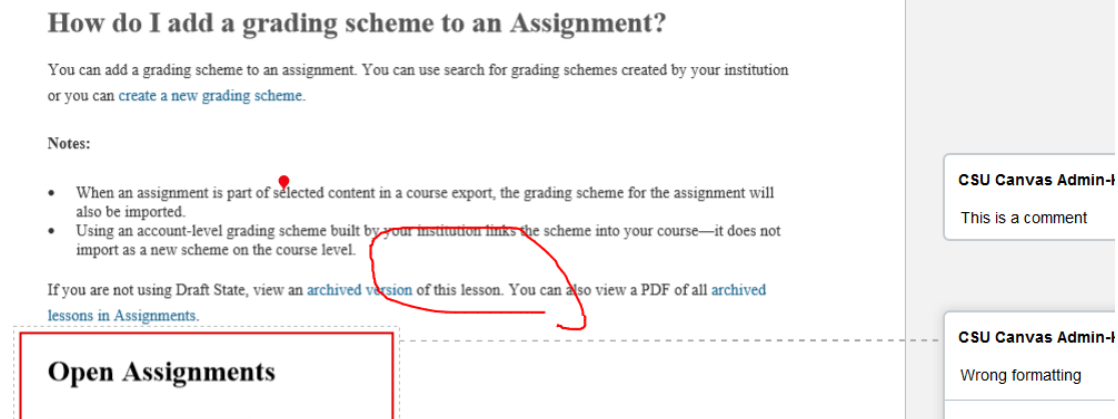

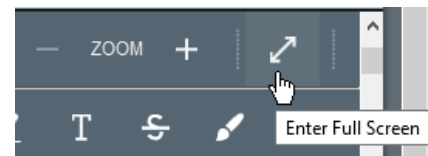

Bottom of window, scroll to right to see View Feedback.

The annotated paper appears.

To easily see annotations, *click* on the **double headed arrow** at the top right to enter **full screen mode**.

At the top right, *click* on the **two arrows** to **exit full screen mode**.
