Change Canvas Course Home Page

Starting summer/fall 2019, to prevent students from seeing a blank home page, we added a CSU logo to newly created Canvas courses.

If you perform a course import to copy previous course content into your new course, you can quickly set your course Home page to match your previous course.

Welcome!

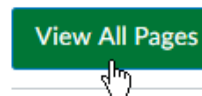

Change Course Home Page

- 1) On the **left course menu**, *click Pages*.

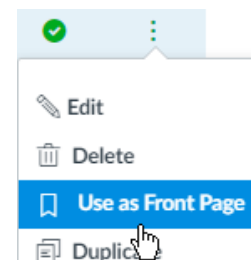

- 2) At the **top left** *click View All Pages*.

- 3) *Find* the **page** you would like to be the **Home page**.

My Course Home Page

- 4) To the **far right of the page**, under the **three dot option menu**, *select Use as Front Page*.

- 5) On the **top left course menu** *click Home* and verify that it now displays the home page you selected.
