Here are the steps to complete a peer review:

You can find the link to the peer review in three places:

1. When you first login to Canvas, on the top right, under To Do.

2. Go into the course and click on the assignment. In the top right you will see Assigned Peer Reviews.

3. If you have notifications set to send you an email when you've been assigned a peer review, you can access the peer review from that message.

You've been invited to peer review CSU Training Student 02. Follow the link below to review them!

4. Click on the peer review link, in the top right, click View Feedback.

The other student's submitted assignment will open.

- Click on the double headed arrow to easily see the paper.
- Click Escape to return to the regular view.

5. On the right, you can attach your peer review form.

You must enter a comment of some type.

Then click Save

A screenshot of a comment form titled "Add a Comment:". The form contains a text box with the text "Please see the attached peer review form." Below the text box are two options: "Media Comment" with a speaker icon and "Attach File" with a document icon. At the bottom left of the form is a green "Save" button, which is highlighted with a red rectangular border. A mouse cursor is pointing to the "Attach File" option.
