Student Online Course Survey

Course surveys are made available each semester to allow students to provide feedback on their course and instructor. CSU student course surveys are administered entirely online and all surveys can be accessed via any of your courses in Canvas.

Please check with your instructor to verify when they would like you to complete their survey.

Survey Availability:
Course surveys will usually be made available to students during the last two weeks of a class.

Don't Have a Course In Canvas This Semester?
In any given semester, about 10% of students do not have a course in Canvas.
These students are automatically enrolled in a "Student Course Survey" Canvas course.
*Login* to **Canvas** with your CSU eID and look for the **Student Course Survey** course.

Spring / Fall Semesters:
- Courses that run for 8 weeks, surveys available in early March / mid October.
- Courses that run for 16 weeks, surveys available early December / early May.

Summer:
- Mid June through early August.

In a Canvas course, **on the left course menu,** *click* on the **SmartEvals Course Survey** link to see a list of all of your courses and instructors.
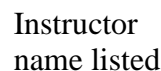

You will see your current semester courses and a survey link for each course and instructor.

Click **Complete Survey** to start a survey for a course/instructor.

Multiple Instructors;
If your course section has multiple instructors, when you click on "Complete Survey: you will see each instructor listed.

- Fill out a survey for each instructor with whom you interacted.
- If you did not interact with one of the multiple instructors, do not fill out a survey for that instructor.

On the survey, you will see questions and the rating scale for each question.

- Please answer all questions.
- The final question will allow you to type any comments.
